PETITION UNDER 37 C.F.R. 1.47(a)

OFFICE OF PETITIONS

Sir:

Applicants respectfully petition that the Inventor's Declaration for the above-referenced application be accepted without a signature of one of the inventors. The nonsigning inventor, Ivan Stamenkovic, has moved and cannot be found despite all of the attempts made. We were told by co-inventor, Brian Seed, that Ivan Stamenkovic returned to Europe without providing a forwarding address. A Federal Express package sent to Ivan Stamenkovic at his previous address was delivered (no signature required) but the Executed Declaration was not returned. We did not received a response to our email inquiry sent on November 5, 2001. Brian Seed has also been unsuccessful in locating Ivan Stamenkovic. Copies of the Federal Express airbill and our email message are enclosed herewith.

This Petition is accompanied by a check in the amount of \$130.00, as required under 37 C.F.R. 1.17(h). However, if this amount is incorrect, please charge any additional fees or credit any overpayments under the foregoing rules to Deposit Account No. 07-1969.

Respectfully submitted,

Heeja Yoo-Warren
